Electrical Inspector

Challenge yourself to become the best. Secure your future employment and retirement. Keep Washington safe and working.

The Washington State Department of Labor & Industries is looking for electrical inspectors. If you want to help ensure electrical safety in Washington, help licensed electrical contractors and certified electricians through combatting the “underground economy,” and like helping people, then this is the job for you.

It’s a position that you will find challenging with a wide variety of interesting and complex electrical installations. As an inspector, you will regularly see the newest and most advanced electrical technology.

It’s a great job with great benefits:

- Health insurance
- Retirement
- Paid time off
- The latest in continuing education by the industry experts — all provided free and on the clock.

See details about benefits on the other side of this fact sheet.

Opportunities and open positions are available across the state.

You’ll be helping keep people safe by making sure the electrical work is done right.

A CLOSER LOOK AT

the Benefits

Benefits

Working for the state provides a family-friendly package of pay, benefits, paid time off, and workplace opportunities. **Remember:** Your paycheck is only part of your total compensation that includes health insurance, retirement and vacation benefits.

Health insurance

You and your family can choose from several medical and dental plans. The state's employee premiums make high-quality medical coverage affordable, and the state fully pays for employees' dental premiums. As an electrical inspector at L&I, health insurance can total as much as \$17,200.

Retirement

The state offers an excellent retirement plan, which includes employer contribution. In addition, employees may participate in the Deferred Compensation Program for a tax-deferred retirement investment.

Salary*

\$71,041–\$76,464 DOE

Paid time off

These benefits total another \$10,608–\$14,650 DOE and include:

- 11 paid holidays
- 14 vacation days increasing continually to 25 days after 25 years
- 12 days of sick leave per year
- Paid leave for jury duty, military service or other civil duties
- 2 personal days

*Per current collective bargaining agreement for 2017–19.

Improve your skills

L&I provides opportunities to increase your electrical skills:

- CEU classes to maintain electrical licenses provided free
- Other technical, safety, information, and skills training all on company time
- College tuition reimbursement also available
